Been slowly building some camping gear for the DRZ, I've also been trying to keep the cost down and I think I have found a good option for soft panniers but only time will tell if they hold up. For only \$59 each I am keen to give them a good test.

You can find further information on ebay

https://www.ebay.com.au/itm/Strada-7-Racing-Universal-20L-Motorcycle-Dry-bag-Tail-Bag-Adventure/163384054671?epid=6021385805&hash=item260a72d38f:g:540AAOSwSU1bRvef:sc:AU_StandardDeliveryRegistered!3842!AU!-1&frcecept=true

No I am not selling them or getting any kick back and once I get the chance to give them a good beating and if they don't hold up I will let you know.

Here are some pictures of one mounted to my DRZ and inside it has the following items:

- 1 X 3 Person dome tent
- 1 X Helinox Chair One
- 1 X Helinox Table (copy from Aldi)
- 1 X Gas Cooker
