First off a huge thanks to Bill and Tony, you guys guided us on all the right tracks for the weather condition at the time and boy didn't we have some changes.

Your hospitality was AAA+ and even if I end up moving to Adelaide I would come back in a flash and do it again next year.

Bill what was it you did again with your suspension? your bike would have to be the best bike I have ever done a mono on, the front wheel just springs up with no effort and sits in the right spot it's magic.

I haven't had much time and sorry for the delay but below you will find some photos of our trip, as you will see I haven't gotten around to fixing gods green mistake with photoshop yet.

Also thanks to everyone else, I had a great time and look forward to Cape York, Thailand or some other place we end up.

Andrew
